Al Éxito (Towards Success)

Faculty Speaker

Apr 2019

- On April 19th, 2019, a group of Latino/a high school students from Marshalltown, IA, visited several Departments at ISU to learn about career opportunities and the work Latino/a faculty are doing. I hosted their visit to the Department of Mathematics and presented them a lecture entitled *La matemática moderna (Modern mathematics)* regarding the scientific role of mathematics nowadays and the possible career opportunities for mathematicians.

Lazos (Bonds): Latino Organization for Student Success

Founding Faculty Member – Active Mentor

Aug 2016 to present

- Lazos is a social club formed by a group of Hispanic/Latino professors at Iowa State University, *who identified a gap in their own college experience and decided to do something different for the ISU community*. Monthly reunions are held with Latino students at ISU to develop friendship and encourage success by getting to know their professors and peers.
